# HEIRLOOM LA WEDDINGS

## WHAT IS THE COST OF AN HEIRLOOM LA WEDDING?

There are many factors that go into the cost of a wedding including services needed, venue, and guest count. Typically, a full service staffed wedding falls between \$200–400 per person for food, beverages, and staff. We provide a budget calculator under the “Pricing” section in order for our costs to be completely transparent to you.

## WHAT ABOUT RENTALS?

We provide in-house rental platters for staffed events. Heirloom LA does not have a full rental inventory, but we have long established relationships with trusted rental companies to see your wedding visions come to life. On our end, for full-service events, we coordinate your rental needs to present the optimal dining experience for your wedding, no matter the venue.

## DO YOU HAVE SET MENUS FOR WEDDINGS?

We offer seasonal menus for each month of the year as well as an extensive year-round menu. Our team is happy to discuss custom options!

## HEIRLOOM LA IS OUTSIDE OF MY BUDGET. DO YOU OFFER A MORE COST EFFECTIVE OPTION?

Absolutely! We offer a drop-off service where we deliver food, hot and ready to eat. Additionally, we can refer an agency for you to coordinate your own staffing, rental, and bar needs if desired. Many budget-wise couples have chosen this route which ensures a high quality menu for your guests without all of the costs associated with coordinating behind the scenes logistics. For couples who would like to cut their catering budget by at least half, our drop-off service is the way to go!

## I WANT TO USE HEIRLOOM LA, BUT MY VENUE DOES NOT ALLOW OUTSIDE CATERERS. WHAT CAN I DO?

We would be honored to cook for any events around your wedding like your rehearsal dinner or post-wedding brunch. Also, our drop-off service is an easy and delicious solution for your bridal shower or engagement party! Our team is here to assist you with your drop-off order for any of your auxiliary events.

# EVENTS AROUND YOUR WEDDING

# BEVERAGES

We coordinate bar services for staffed events, and we offer an exciting specialty drink menu. Our experienced bar staff works to accommodate each of your guests' requests to make them feel comfortable and valued.

# TRAY PASSED APPETIZERS

Pre- or post-ceremony appetizers send the message to your guests that you appreciate their attendance and their comfort is important to you. We take care that our vibrant and colorful menu is presented as pretty as any of your floral arrangements.

# STATIONARY APPETIZERS

Stationary appetizers create a stunning display of little bites for guests to graze on, and they also enhance the ambiance for your special day. We are happy to collaborate with your creative vision and manifest the edible design you envision for your big day.

# SEASONAL SALAD COURSE

A plated salad course elegantly signals to guests that dinner has begun. Our salads are informed by the season, with ingredients from small, local farmers who use organic and sustainable practices to grow the most flavorful produce.

# STYLE OF SERVICES

# BUFFET

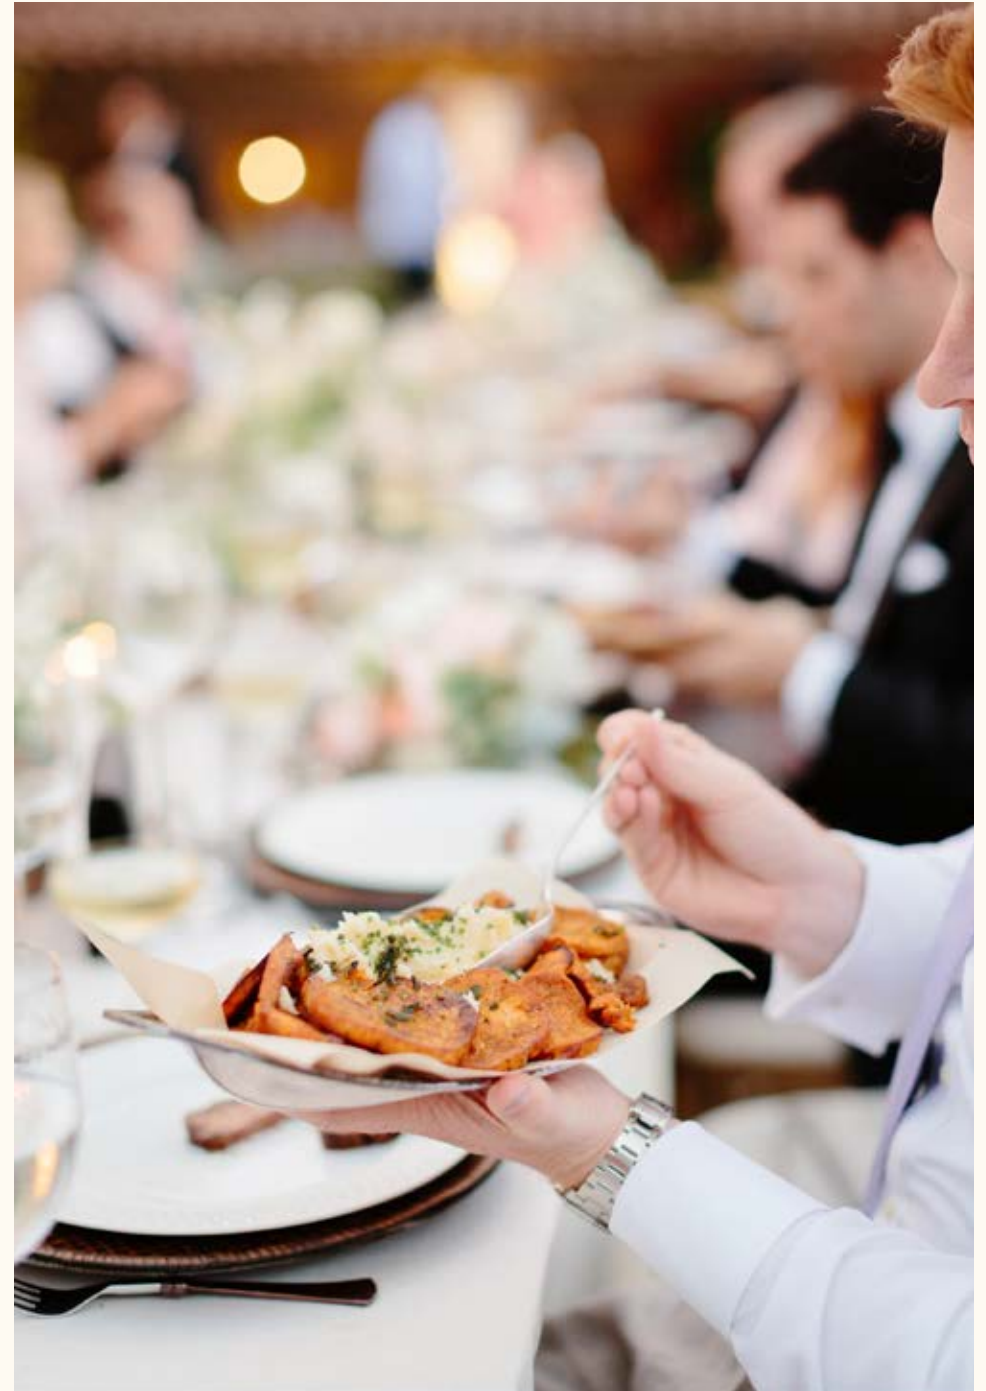

A buffet asks guests to gather together in a line and serve themselves. Your guests get to see the whole menu in front of them which generates excitement, especially when our signature dish, Lasagna Cupcakes, is featured. Pulitzer prize winning food critic Jonathan Gold wrote, "These capsules of fresh, saucy pasta... pack more flavor than lasagna 20 times their size."

# FAMILY STYLE

Family style invites seated guests to share and help one another as they pass enticing platters of food to spoon on their plates. This service allows for less staff than a plated service, yet is refined in its efficiency. Our staff gracefully serves each table all courses at once so there is no delay with any of the menu. Family Style is our most popular style of service and we have it mastered.

# PLATED SERVICE

Our plated service requires the most staff in order to ensure your guests are served each course as elegantly as a symphony. Our team is trained to produce a sophisticated 5-star dining experience for your guests.
